

Your adventure starts here

It's a wonderful thing, to be able to give someone the experience of a lifetime over Melbourne and the Yarra Valley. At Global Ballooning Australia, we've shared a sunrise with over 100,000 people in 30 balloons over 26 years. We're proud of our safety record, and care deeply about our guests' experience, but for us it's also about the people we meet along the way and the pristine natural playground we call our office.

2019/20 RATES AND PRODUCT INFORMATION

MELBOURNE

It starts with an alarm that draws you from your bed and dares you to meet the dawn. Your adventure starts before the city stirs, birdsong begins as giant balloons inflate and you find yourself drawn to the heat of the flame. As the earth falls away, you rise with the sun.

There's no need to travel far, and no better way to see the world's most liveable city. Sail the breeze beside sparkling skyscrapers and follow the Yarra River as it unwinds through parks and gardens. For an hour, it's just you and the sky. This is what freedom feels like; you have nowhere to be but here. Melbourne is just waking up – and you've already ticked something off your bucket list!

YARRA VALLEY

Some prefer to take the scenic route when exploring the Yarra Valley, traversing picturesque roads through misty farms and vineyards until a landscape worthy of silence appears. But as far as we're concerned, the journey across Victoria's most-loved wine region is unrivalled by hot air balloon.

As you soar over patchworks of vines set on rolling hills and surrounded by mountains, lightness comes over you – a sense of freedom from the everyday. As the sun rises, so does your spirit, floating over the natural amphitheater. Just an hour from Melbourne CBD, it doesn't take much to escape the bustle and reconnect with nature.

YARRA VALLEY FLIGHTS

PRE-FLIGHT

On arrival at the meeting point passengers will be required to:

- > Notify our team of their arrival
- > Complete a waiver and medical information form
- > Board our buses and transfer to the launch site where they may help with the launch, or stand back and take pictures
- > Join a short safety and instruction briefing at the launch site

After we complete our pre-flight routine, we will float up and away for a spectacular one-hour hot air balloon flight.

Please note the exact time and flight direction will vary depending on weather conditions. The flight will either be over the city or around the surrounds of the city. We cannot guarantee a flight directly over the city due to the change of wind direction.

After we complete our pre-flight routine, passengers will enjoy a one hour hot air balloon flight over the Yarra Valley, one of Victoria's most picturesque winery regions.

Please note the exact time and flight direction will vary depending on weather conditions.

POST-FLIGHT

After we land, passengers can assist our staff to pack up the balloon before boarding our buses and returning to the initial meeting place (this is not compulsory, so passengers should tell staff if they do not wish to help).

After the balloon is packed away, we head back to Pullman on the Park hotel for a sparkling buffet breakfast (optional).

The Melbourne transfer service is one-way only, so guests will need to make their own way back to their hotel from the Pullman Hotel. There are train, tram and taxi services available at the front of the Pullman on the Park. Alternatively, it is a 20min walk back to the centre of the CBD.

After the balloon is packed away, we head back to Balgownie Estate for a sparkling buffet breakfast (optional).

The Yarra Valley transfer service includes return transfers to Melbourne (as long as breakfast is included in the booking) – either to Federation Square OR Queen Victoria Market after the flight & breakfast. We don't drop back to hotels to eliminate time the passengers are wasting in the bus in case they have other tours booked.
